

THE FORMER LUMIPAPER BUILDING

Value:

526k

Client:

COIF Charities
Property Fund

Location:

IP14 5ND

Programme:

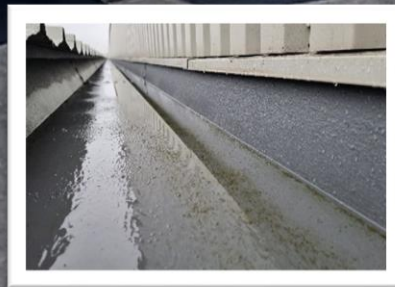

18 weeks

Sector:

Industrial

Summary:

Bauder felt roofing system, rooflight replacement and cladding adjustments, M&E works and Delcote gutter and lap works to metal roofs

Ridgewell Roofing Ltd were appointed as Principal Contractor to install 6,500 m² of Bauder waterproofing along with 1,600 lm of Delcote gutter, lap and cut edge liquid coatings. As part of the works the existing cladding was cut and adjusted to suit the new system and ensure safe2torch practices could be adhered to, along with working around the recently installed air conditioning units.
