

# LOWLANDS

**Value:**

197k

**Client:**

Lowlands  
Residents

**Location:**

NW3 3EJ

**Programme:**

12 weeks

**Sector:**

Residential

**Summary:**

Roof upgrade works including the removal and renewal of roof mounted cold water pipes, tank housing works, rooflight and free standing handrail installation

As the appointed Principal Contractor, Ridgewell Roofing Ltd provided scaffold, welfare, storage and lifting facilities. Working closely with specialist subcontractors the existing cold-water feeds were disconnected, redundant feeds removed and the remaining raised to accommodate the new roofing system and insulation thickness. New bathroom extract systems were also installed.
