

STATION HOUSE

Value:

87k

Client:

CHP Housing Association

Location:

SS17 7EY

Programme:

6 weeks

Sector:

Residential

Summary:

External refurbishment works including demolition, parapet wall re-construction, roofing, cladding, decking, render and coping stone works

Acting as Principal Contractor Ridgewell Roofing Ltd erected scaffold and temporary roof over one section of the building to facilitate the parapet demolition, re-construction and roof replacement works. Once the waterproofing works were completed, new timber cladding, decking and fencing was installed, along with new coping stones where required, render repairs and re-decoration works.
