

VICTORIA MILLS

Value:

159k

Client:

Victoria Mills
RTM Company

Location:

E1 1PT

Programme:

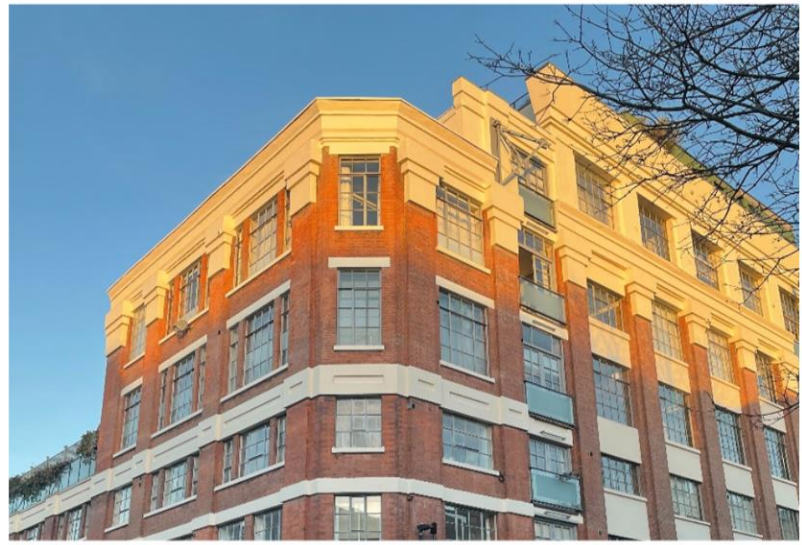

12 weeks

Sector:

Residential

Summary:

External refurbishment works including brick cleaning and repair, render repairs, decorations, felt roofing and liquid works, paving and decking

Acting as Principal Contractor Ridgewell Roofing Ltd erected a full scaffold to the perimeter of the building which included pavement licences and parking bay suspensions to allow full unrestricted access to clean and repair the brickwork, carry out render repairs, install new mastic to all windows and new decorations. Roofing, decking, paving and landscaping works were also carried out.
