

HIGHWORTH GRAMMAR SCHOOL

Value:

358k

Client:

Highworth
Grammar Sch

Location:

TN24 8UD

Programme:

16 weeks

Sector:

Education

Summary:

Removal of existing waterproofing including re-decking works and installation of new structural rooflights and associated pitched roofing works

Acting as Principal Contractor, Ridgewell Roofing Ltd worked closely with the school to renew several roof areas including removing and renewing defective decking and installing new structural rooflights. Careful consideration was given to working on a live school with areas cordoned off and out of hours working taking place where required. M&E works were also included within our scope.
